

Club Electricity Savings Fact Sheet

Offer Overview

Many Clubs are paying over the odds on their electricity tariffs or are simply unaware as to what plan they are on. Arrange a free review with Intelligent Contact which could help you **save up to 40% on your current deal and get £50.00 cash back** if you switch.

How does it work?

Send us a copy of your Club's bill. We will then pass it on to Intelligent Contact to conduct the review. Following this, your Club contact will be called to discuss the findings. If your price can be beaten then great and if not, there's nothing lost.

Key Questions and Concerns addressed:

Who are Intelligent Contact and who will arrange our new deal?

Intelligent Contact has years of experience helping businesses save money by switching their electricity supplier.

Can you help us if we are under contract?

It may not be economical to terminate your Club's current contract but the guys at Intelligent Contact are very experienced in helping clubs so it is still worthwhile seeking their advice.

What is our commitment?

There isn't one. The review is completely FREE and without any commitment to your Club.

Can you just save us money on electricity?

Intelligent Contact can also offer savings on Gas. If you send us your Gas bill as well, we may be able to save you even more.

Have other clubs managed to benefit from switching?

Yes. Spofforth Cricket Club, Harrow Cricket Club and West Ilsley Cricket Club are some of the clubs who have signed up for this service.

The Next Stage

You should send copies of your club bills to ClubNet or give us a call on **0870 620 1260** to discuss what the options are and to undertake your review. Your bills can be sent via any of the following options:

- Scan the bills and send copies via e-mail to nathen.furlong@clubnet.org.uk
- Copy or scan your bills and Fax them to 0870 620 1261
- Send them by post to the following address:

ClubNet Limited
PO Box 502
Winchester
SO23 3DF

Once your bills are in hand both ClubNet and Intelligent Contact will conduct the review promptly and let you know the findings. Then if we can help and your club and you agree we will begin to process your new deal.
