

## ClubNet Limited – Cookie Notice

Updated 25th May 2018

This is the Cookie Policy for the website of ClubNet Limited, accessible from <https://www.clubnet.org.uk/>

### What Are Cookies

As is common practice with almost all professional websites this site uses cookies, which are tiny files that are downloaded to your computer, to improve your experience. This page describes what information they gather, how we use it and why we sometimes need to store these cookies. We will also share how you can prevent these cookies from being stored; however, this may downgrade or 'break' certain elements of the site's functionality.

### How We Use Cookies

We use cookies for a variety of reasons detailed below. Unfortunately in most cases there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this site. It is recommended that you leave on all cookies if you are not sure whether you need them or not in case they are used to provide a service that you use.

### Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of the site. Therefore it is recommended that you do not disable cookies.

### The Cookies We Set

We use cookies and other similar technologies to make our website work better, and to understand how visitors use and engage with our website.

- **Strictly necessary cookies** are required to operate our website. They may enable you to log into secure areas of our website.
- **Analytics cookies** allow us to recognise and count the number of visitors and to see how visitors move around our website. Some of the tools we use provide us only with information about trends and aggregate user behaviour.
- **Social media cookies** are placed when you use a social media sharing or "like" button on our website and keep track of the way visitors engage with and share our content. The social network will record that you have done this.
